WHY PACE?

A major artistic movement is under way in our community - and we want you to be a part of it!

Your annual membership to PACE supports and promotes arts, culture, and entertainment throughout our community, and keeps programming affordable and accessible to all.

Whether it's discovering Council Bluffs' rich history through one of our speaker series, exploring your own creativity through an art class, or attending a theater or orchestra production, we invite you to join us as we transform the arts and our future.

There's much happening now and even more to come!
